Re: Attached Letter To Congressman Bobby L. Rush Opposing H.R. 6666

\*\*\*\*\*

Honorable **CONGRESSIONAL BLACK CAUCUS**,

Attached is a letter written to Congressman Bobby L. Rush, in opposition to H. R. 6666.

Because Dr. Robert B. Strecker and Attorney Theodore A. Strecker submitted proof in the Historic Document, "This Is A Bio-Attack Alert", submitted to the FBI, CIA, Congress, Senate and President, that AIDS/HIV, Cancers and other Diseases were created in Labs and intentionally spread through Preventative Vaccinations Programs, it leaves a question, Where did COVID-19 come from?

According to several doctors, COVID-19 WAS MADE IN A LAB and is a BIOWEAPON.

On April 3, 2020, a ten-page letter was mailed to City Of Los Angeles Mayor and two Governors. That letter is Archived on Archive.org as, CORONAVIRUS 2020 John Burns UMOJA Research.

If we look at the Statistics on Deaths in the U.S.;

1. Cancer Deaths each year in the U.S are 609,649, divided by 12 = 50,804 deaths per month
2. Cardiovascular Deaths each year are 840,768, divided by 12 = 70,064 deaths per month
3. Flu Related Deaths each year are 8,000 – 20,000 each year, lets use 1,000 each month
4. COVID-19 Deaths in USA since 02/29/2020 are 88,555 in 3 months = 29,518 per month
5. Total of Non-COVID-19 Deaths in USA = 50,804+70,000+1000 = 120,904 Deaths per month
6. Total COVID-19 DEATHS PER MONTH = 29,518, FOR 3 MONTH TOTAL DIVIDED BY 3

When we look at over 120,904 Non-COVID-19 Deaths a month and compare with the current number of COVID-19 Deaths at 29,518, there are over 91,386 Non-COVID-19 Deaths, approximately three times the number of COVID-19 Cases, which just doesn't add up for this Pandemic.

Hopefully you'll look up the references to what Dr. Strecker uncovered and question what's really going on in America. In addition, don't overlook the Track Records of the Vaccine Companies looking to profit from COVID-19 and the fact, Dr. Robert B. Strecker pointed out, there is No Proof Any Vaccine Is A Cure For Any Disease. Listen to his interview "The Bio-Attack Alert" on Archive.org.

Sincerely,

John Burns, UMOJA Research 1986-2018
